

NbodyLab.org

Vicki Johnson & Sverre Aarseth

Hardware: micro-Grape & 2.4 GHz P4

- Introduction to NBODY4
- NBODY4 input parameters
- Guidance on initial parameters
- Research projects that have used NBODY4
- Suggested simulations
- Input values and options for experimentation
- Output values printed and plotted
- Quantities to review in full output printout
- N-body units and astrophysical units
- Integration methods
- Relationship of NBODY6 to NBODY4
